Do you want to be a part of history?

Dwight Foster Public Library and Bridges Library System has partnered with StoryCorps, a national oral history non-profit, to record and preserve community stories & we'd love for you to be part of it! StoryCorps' mission is to preserve and share humanity's stories to build connections between people and create a more just and compassionate world. At the same time, StoryCorps is creating an invaluable archive for future generations online and in the Library of Congress.

Amy Christian, a trained facilitator from Dwight Foster Public Library will be giving information about this project and how you can be a part of it. The presentation will be to share what StoryCorps is. Then you can sign up to share your stories and participate on Saturday, May 14.

Participants will find a compassionate, respectful environment in which to share their stories. Participants will have up to 40 minutes to record a conversation. Participants can choose their conversation partner and what they would like to talk about. **(The program will last around 30 minutes, ending in time for Current Events to start at 2pm)**

Maximizing the Benefits of Your Hearing Devices - Fort HealthCare

To maximize the benefits you receive from wearing hearing devices, follow these hearing health and maintenance guidelines.

Maintaining Your Hearing Health

1. We recommend you have an audiogram every two years to determine if your hearing devices should be reprogrammed to compensate for any additional loss.
2. Wear your hearing devices daily to allow your brain time to relearn sounds.
3. Do not miss a regularly scheduled checkup.
4. Do not wear someone else's hearing devices.

Taking Care of Your Hearing Devices

1. Clean your earmolds daily to remove any buildup.
2. Remove your hearing devices before taking a shower or going swimming.
3. Do not expose your hearing devices to hairspray.
4. Do not expose your hearing devices to radiation from X-rays.
5. Do not try to repair your own hearing devices.
6. Do not use alcohol or cleaning fluid on any parts.
7. Regularly check the plastic tubing on your hearing devices for debris.

Battery Care

1. Replace batteries routinely; the average battery life is seven to ten days.
2. Memorize the battery size your hearing devices require.
3. Turn off your hearing devices at bedtime and keep the battery compartment open to allow any moisture to evaporate.
4. Store batteries at room temperature.
5. Do not carry loose batteries in your pocket or purse.
6. When newly purchased, hearing device batteries are sealed with a tab to ensure freshness. Do not remove this tab until you are ready to use the battery. Once you remove the tab, allow the battery to charge for 30 - 60 seconds prior to placing it into the hearing device.

Mini Mart News – May 2022

Mother's Day cards abound in the Mini Mart. We have cards for daughters, daughters-in-law, sisters, nieces, and general ones. You might be surprised to see you need one – or more!

The Mini Mart, located on the Lower Level, is open **Monday and Wednesday, 12:30-3:00pm**. It is open for all residents, including Prairie Village. The Mini Mart is a long time project of the Friends of Fairhaven and supported totally by volunteers. We appreciate your support since your purchases help support projects that benefit all residents.

Window Washing at Fairhaven

Cloute Window Washing will be at Fairhaven to do the spring window washing (inside and out) starting on **Monday, May 23**. We will be starting in the C building and then work our way throughout the rest of the buildings. The order will be 4C-2C-E2-D2-E1-D1-B-A- 3AA-2AA-1AA. As in previous years, housekeeping will be moving your furniture away from the windows so the crew from Cloute Window Washing can wash your windows. Housekeeping will then put everything back in place once they are done.

When they are here working, they may get to the outside of the windows before they get to the inside so don't be alarmed if you see a window washer outside of your window during the time that they are here. They **generally start between 8-8:30 in the am and work until 4pm**. We appreciate your cooperation and patience while this service is being done.

Thanks, Betty Schelb- Director of Environmental Services

Trishaw Rides (Cycling Without Age)

We are excited for warmer weather and to get the Trishaws out of the garage!

More information will be up on Touchtown (CH: 900) as the weather warms up and schedules are made. Once a schedule is made we will get a flyer delivered/put in your mailboxes.

Fairhaven Resident, Jerry Grant is a WUL(Whitewater Unites Lives) Hometown Hero!

Jerry was nominated "for serving more than 20 years on the Walworth County Board in many leadership positions and for the countless hours he spent helping children by donating his time and talent to the Kiwanis Whitewater Breakfast Club." (Whitewater Banner)

Thank you and Congratulations Jerry!

Resident Council Update—May

Judith Moldenhauer is Resident of the Month

We are delighted that Judith, a Prairie Village resident, is May's Resident of the Month. She was nominated by Dick Piehl, another Prairie Village resident, who says, "She has been doing a yeoman's work as social activities director for Prairie Village, organizing monthly movie nights, Fireside Dinner Theater gatherings, special meal, gatherings, etc., which have all been marvelous. She also in involved in working the Fairhaven Mini Mart." Another Prairie Village resident, Gary Fry, adds, "She and her team of elves spent hours decorating the Community Center at Christmas, though Judith did the lion's share of the work (especially on the planning and creative sides). She keeps our Holiday Tree in the lobby decorated with appropriate seasonal décor. She also keeps in close contact with Fairhaven Housekeeping to insure there are no issues with the cleanliness at the Community Center." In another life, Judith was "a Brian Robinson", and her enthusiasm for community involvement shows in all she does. For those of us who know Judith, we applaud her on-going efforts in making our community an even better place to live. Thank you, Judith!

Thanks again...

To the Fairhaven Board, leadership, and employees, Walgreen's and McCullough's who brought COVID vaccines and boosters to us at Fairhaven and Prairie Village.

We are pleased to announce...

That Fairhaven Dining Services was nominated for the Nutrition and Foodservice Education Foundation award. Although Fairhaven did not receive the award this time around (who says not in the future?!), Millie Zarate, Food Services Director, is rightly proud of the Department's nomination & the materials that were submitted on its behalf. And now's a good time to thank everyone in Food Services for all they do for Fairhaven.

Now that was no April Fool's joke

The Fairhaven Bell Choir concert on April 1 was certainly no joke. Under the direction of Marion Burrows, the choir, composed of Fairhaven residents and friends from outside Fairhaven, combined their talents to give us a wonderful concert of traditional hymns. The concert was very well attended, and we look forward to the next one.

Voices-19: Their Legacies Live On by Brenda E. Cortez

Many of us know that David Stedman's (former Maintenance employee) wife, Cheryl, passed away in late 2020 from COVID. David was asked to contribute a chapter about Cheryl to the recently-published book "Voices-19...", which is a compilation of stories about Cheryl and 18 others who lost their lives during this time. Should you be interested in purchasing the book, go to www.bcbookslc.com/voices19 or www.facebook.com/voices19book/.

Nominations for Resident/Volunteer of the Month

Please note that the Council has added "Volunteer" to this designation. That gives us an opportunity to acknowledge the contributions of non-Fairhaven/Prairie Village residents who contribute to our community. (There is a list of previously-honored residents and volunteers posted on the Lower Level Resident Council Bulletin Board.) Nominations can be made by any Fairhaven or Prairie Village resident to any Resident Council member, preferably in writing, with information about why you are nominating this person. You can always leave your nomination in the Main Lobby Suggestion Box, located by the Main Lobby Coffee Bar. Or get your nomination to Prairie Village resident, Kathy Ross.

Fairhaven and Prairie Village Little Free Libraries

Thanks to all who use our Little Free Libraries – however, you use it – as a contributor or a reader. Both are in their permanent homes, awaiting you!

Look for new Hummel displays in the Fellowship Hall display cases early this month.

Looking ahead to June
