RE: COVID-19

For this week's testing, done on Monday, there was one staff member of 2<sup>nd</sup> Floor Skilled Nursing that tested positive. This staff member is off schedule now according to CDC and CMS guidelines. All residents were tested on 2<sup>nd</sup> floor Skilled Nursing, and all were negative. Testing for residents will be done again on Friday.

Recently, on 4<sup>th</sup> floor Assisted Living, a resident and a staff member have tested positive. The resident is now in isolation and the staff member is off schedule according to CDC and CMS guidelines. Follow up testing has found no additional staff or residents positive, and testing of all 4<sup>th</sup> floor residents will be done again the week of August 8.

All visitors must enter through the front entrance, wear masks, answer the COVID questionnaire and have their temperature taken.

If you have any questions/concerns, please feel free to contact Paul, Dawn or Karen at 262-473-2140.
